

BOOK FACE

The Public Library of Mount Vernon and Knox County

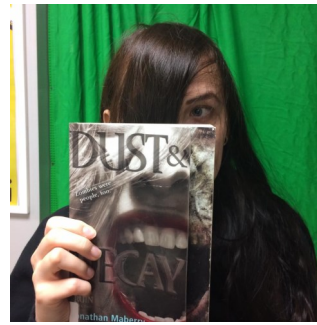

1. Find a book cover that has a partial face on it for your picture. Some titles are recommended on the back side of this bookmark.
2. Position the book over your face so that your face completes the picture.
3. Take a picture with your cell phone and post it online with the hashtag #plmvkcmakerspace.

What can you do with your picture?

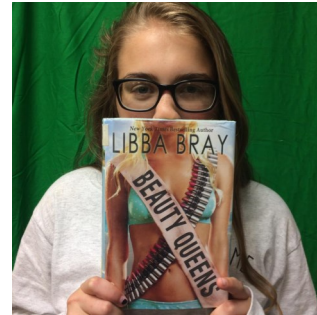

Print it out in the Teen MakerSpace and we will help you do creative things with it.

1. Turn it into a button
2. Make a duct tape picture frame for it
3. Turn it into a mini book handmade by you
4. Make it into a bookmark to keep your place while you read the book!

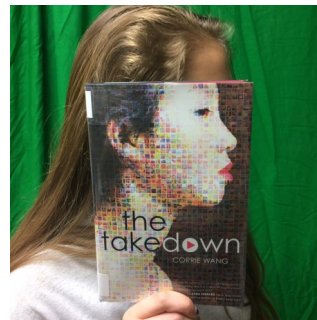

The Rot & Ruin series by Jonathan Maberry

A post-apocalyptic world where teens must work in order to survive the zombie plague

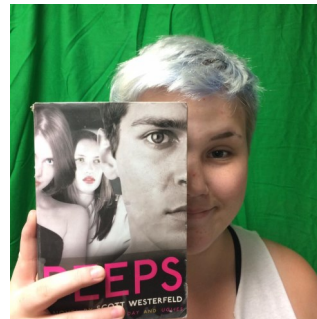

Beauty Queens by Libba Bray

Beauty queens must survive on an island after their plane crashes on the way to a pageant. Oh, and there's an evil corporation.

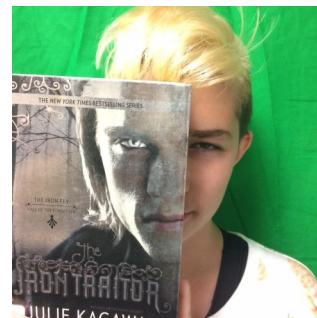

The Takedown by Corrie Wang

Kyla delves into the world of hackers to have a video taken off the internet that may destroy her chances of being valedictorian—and graduating.

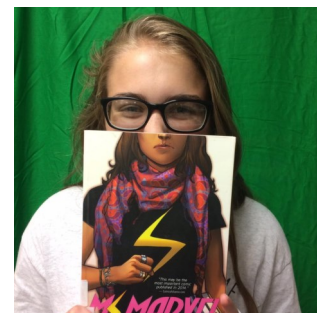

Peeps by Scott Westerfeld

A parasite turns people into cannibals and unfortunately for Cal's girlfriend, he is a carrier. Also check out The Uglies series.

The Iron Fey series by Julie Kagawa

A teen is drawn into the world of fairies when her brother is taken and replaced with a changeling.

Ms. Marvel graphic novel series

Kamala Khan is an ordinary girl from Jersey City - until she is suddenly empowered with extraordinary gifts.
